**Joe Campolo Elected to the Make-A-Wish Foundation of
Suffolk County Board of Directors**

Bohemia, Long Island, New York -- Campolo, Middleton & McCormick, LLP has announced that Managing Partner, Joseph N. Campolo, Esq., has been elected to the Make-A-Wish Foundation of Suffolk County’s Board of Directors.

Campolo joins the Board with significant experience providing legal counsel for many tax-exempt organizations and foundations, covering all aspects of non-profit law, regulation and charitable giving. In addition to his professional experience -- which has given him insight into the inner workings of a non-profit -- Campolo spends a great deal of his personal time actively involved in organizations that advocate for Long Island children. Campolo is a past President of the Board of Directors of Child Abuse Preventive Services (CAPS) and is currently a part of the Stony Brook Children’s Hospital Task Force.

“Serving on the Board of Directors of an organization like the Make a Wish Foundation of Suffolk County will allow me to give back to my community,” Campolo stated. “I’m looking forward to contributing and collaborating with people who have the same dedication and values that I have.”
