Bohemia, NY - The firm sponsored and exhibited at the Hauppauge Industrial Association's 23rd Annual Business Trade Show & Conference on May 26th at the Suffolk Community College Sports & Exhibition Complex, Brentwood Campus. The show was a great venue for local businesses to network and make new business contacts. We are happy to announce that the Make-A-Wish Foundation of Suffolk County was the lucky winner of our booth giveaway, which included 4 tickets to the Long Island Ducks. Along with the tickets we included 4 passes to the Duck Club, which is the restaurant and bar located inside the stadium.

The Trade Show also hosted a variety of educational programs and notable speakers. Joe Campolo moderated the breakout seminar entitled "Leadership, the Economy & Sustainability" consisting of panelists such as Peter Handal, CEO of Dale Carnegie & Associates; Kevin O'Connor, CEO of Bridgehampton National Bank; Greg Aramanda, VP of Business Development at CPI Aerospace and Anne D. Shybunko-Moore, President of GSE Dynamics Inc. Together they discussed leadership in the workplace and adaptability in the current economic climate.
